About Us

Founded by three friends connected by a deeply shared passion for spirits, Short Path Distillery specializes in creating a variety of distinct and flavorful craft spirits. By combining old world distilling techniques with a new world, science-based approach to spirit development, we're able to create unique spirits that break the mold without reinventing the wheel.

Cocktail Bar

The cocktail bar at Short Path Distillery is an extension of our production facility from which we serve our house-made craft cocktails. We pride ourselves on creating exceptional cocktails made with fresh ingredients that appeal to all audiences. From hand-juiced citrus to freshly made syrups, our team excels at creating delicious drinks that show off our unique 20+ spirits.

Retail

We also operate a retail store from which folks can order spirits, bottled cocktails, cocktail kits, merch, and more.
